Mission: India

Patna, India is located in the state of Bihar, which is considered one of the most backward and crime-ridden of all the states of India. The church there is weak and there are few Christians. **In this city of nearly 2 million people there are only three known church buildings!** Most churches are house churches, with between 10 and 25 members. Believers from other parts of the nation sometimes go there as missionaries. Pastors who have come there for such purposes are sometimes asked by their old friends, "How can you live in such a place?"

It is here that we chose to hold our latest India mission and church leadership conference. God's grace and presence were upon us from start to finish. Rarely have I seen such consistent anointing on meetings as we experienced in Patna. In the conference John Ishmael and I taught on the return of the Lord, and I concluded the conference with a teaching on the fundamentals of evangelism.

We billed our evening meetings as "Cultural Nights" and focused heavily upon music in the first portions of the evening. Afterwards I gave messages which dealt with the coming of Jesus and the future which awaits us after death. As elsewhere men and women responded to the gospel. Again and again we have seen the reality of Paul's words: "I am not ashamed of the gospel of Jesus Christ ... it is the power of God to salvation..."

The Ways of God

Dennis has recently added to his audio CD series on "The Ways of God." This series now includes ten teachings, including new messages on "The Power of Repetition," "When God Remembers," and "Death Sentences & Deliverances." Also included in this series are teachings on the Father's generosity, the speed and slowness of God, the law of use, and others.

God's great indictment of Israel was summed up in the statement, "**They do not know My ways.**" Learning the ways of God is the greatest knowledge we can attain. Get this series and acquaint yourself with the ways of your Creator!

To order the ten CD audio series, "The Ways of God" send a check for \$45 (includes S/H), or you can order it from our online shop using Paypal.
