

## New Audio Series on the book of Daniel

We have offered a series on Daniel before, but Dennis has now completely redone it, with far more detail, as well as significantly improved audio quality. The previous series was done in a church where Dennis covered two chapters in each message. He has now taken one chapter per message, resulting in a nearly verse by verse study of this extremely important Old Testament book.

In this 12 CD (1 teaching per chapter) series Dennis takes you into the mind and heart of the man called by the angel “greatly beloved.” Learn the secrets behind his walk with God, and be thrilled with the visions and revelations given him by God through dreams, visions, and angelic visitations.
